

A Leader's Prayer

Leadership is hard to define.

God, let us be the ones to define it with justice.

Leadership is like a handful of water.

God, let us be the people to share it with those who thirst.

Leadership is not about watching and correcting.

God, let us remember it is about listening and connecting.

Leadership is not about telling people what to do.

God, let us find out what people want.

Leadership is not about the love of power.

God, help us to make it more about the power of love.

As we continue to undertake the role of leader let us be affirmed by the servant leadership we witness in Jesus, in Mary, in our foundresses and in those who have inspired our service, whose names we share now...

Let us walk in the path He has set and let those who will, follow.

Let our greatest passion be compassion.

Our greatest strength love.

Our greatest victory the reward of peace.

In leading let us never fail to follow.

In loving let us never fail.
