

# WELCOME

## DEVELOPMENT TRAJECTORY OF ODISHA IN THE LIGHT OF SUSTAINABLE DEVELOPMENT GOALS

Fr. Madan Sual Singh  
Jana Vikas, Kandhamal

# Odisha at a glance

- **30% of Odisha population is poor: Niti Aayog report & Multidimensional Poverty Index (MPI)- 2021**
- Odisha is among the top-9 states with a significant share of the population living under poverty.
- Scheduled Tribes 22.13% and Scheduled Castes 16.56%.
- 70% of the State's poor from Dalit and Adivasi households constitute Core Poverty group.
- 64 different kinds of Adivasi Groups and 94 Dalit sub-castes.

# Meaning and Concept of Development

- Development means “**improvement in country’s economic and social conditions**”. More specially, it refers to improvements in way of managing an area’s natural and human resources. In order to create wealth and **improve people’s lives**.
- Development is a **process that creates growth, progress, positive change or the addition of physical, economic, environmental, social and demographic components**.
- It should be a **universally acceptable aim of development** to make for conditions that lead to a realisation of the potentials of human personality.

# Development trajectory of Odisha

- Odisha is committed to achieving the Sustainable Development Goals (SDGs). Planning & Convergence Department, as Nodal Department, initiated a series of consultations with all departments to take forward the preparation of an Odisha SDG Indicator Framework (OSIF). Aligned to the National Indicator Framework (NIF) developed by Ministry of Statistics and Programme Implementation (MoSPI) and to NITI Aayog's SDG Index, the OSIF also captures State specific indicators. The OSIF is designed as a dynamic framework, adaptable to changes in policy outlook and hard reality as required over the 15 year span of the Global Agenda 2030. Currently, the OSIF holds 367 Indicators: 269 derived from NIF and 98 from the State's priorities. These have further been classified as Outcome Indicators (100), Output Indicators (143) and Process Indicators (124). They are spread across all goals.

# Institutional Mechanism

- ❖ **Planning & Convergence Department has been declared as the Nodal Department to work out SDGs in the State.**
  - **SDG Cells** have been created in different Departments.
  - A **High Power Committee (HPC)** with Chief Secretary as Chairperson and Secretaries of line Departments as Members has been constituted.
  - Director, Economics & Statistics, Government of Odisha has been declared as the **Nodal Officer** for data flow and analysis on SDG indicators.
  - A **SDG Core Team** has been constituted in P&C Department for implementation of different SDGs activities in the State.
  - Seven Thematic Working Groups(TWGs) for visioning SDGs.
  - **Centre of Excellence** in Fiscal Policy & Taxation (CEFT), XIM-Bhubaneswar provides necessary technical support on SDG Roadmap.

# Odisha SDG Indicator Framework:

- The UN General Assembly adopted the 2030 Development Agenda titled ‘Transforming our World: the 2030 Agenda for Sustainable Development’ on 25th September, 2015 with 17 Goals and 169 Targets called Sustainable Development Goals (SDGs). Its promise: ‘Leaving No One Behind’ (LNOB).
- India is a signatory to this Resolution and is committed to support these 17 Goals which have 5 key objectives: People to end poverty and hunger, Planet to protect the planet from degradation, Prosperity to ensure that all human beings can enjoy prosperous and fulfilling lives, Peace to foster peaceful, just and inclusive societies and Partnership to mobilize the means required to implement this Agenda through a revitalized global partnership for sustainable development.
- Officially, the SDGs came into effect from 1st January 2016 (on expiry of the MDGs) and will run through 2030. These 17 Goals build on the successes of the Millennium Development Goals (MDGs), while including new areas such as climate change, economic inequality, innovation, sustainable consumption, peace and justice, among other priorities.

## **For operationalization of SDGs, the Planning & Convergence Department being the Nodal Department has taken many steps as follows:**

- ❖ An SDG Core Team has been constituted under SDG Cell of P&C Department supported by a UNICEF Consultant for implementation of different SDG activities like planning, strategizing and formulating action plans and monitoring implementation of SDGs.
- ❖ State's key Departments have been identified as aligning with SDG Goals. SDG Cells have been created in concerned Departments and Nodal Officers have been designated by respective Departments for the SDG Cells.
- ❖ Director, Economics & Statistics, under Planning & Convergence Department, Government of Odisha is the Nodal Officer for data flow on SDG indicators.
- ❖ All Secretaries of Departments have been drawn into the SDG conversation in four 'All Secretaries Meetings' held during the months of January to April, 2019 to identify State specific SDG indicators out of 306 National Indicator Framework (NIF) of MoSPI, Govt. of India. A series of consultative meetings were held with major Departments for mapping of schemes, budget and indicators from 306 NIF and also state specific indicators.
- ❖ Planning & Convergence Department has further amalgamated the evolving Odisha SDG Indicator Framework and has ensured its aligning with NIF-MoSPI indicators, NITI Aayog's SDG Index Indicators and State specific indicators in consultation with different Departments.

# Key Features of OSIF:

- ❖ The OSIF has identified 367 Indicators across all Goals.
- ❖ Out of 367 OSIF Indicators, 269 are from NIF and 98 are beyond NIF, i.e., Odisha specific indicators.
- ❖ Indicators are categorized as Outcome, Output and Process indicators.
- ❖ OSIF includes 100 Outcome indicators, 143 Output indicators and 124 Process indicators.
- ❖ The OSIF in its current form captures Goals, Targets and Indicators (from NIF and State) and Schemes.

## **On the basis of OSIF, the following action points are next steps to improve the performance of Odisha on SDGs at national targeted levels:**

- Help Departments to monitor ‘Schematic Indicators’ and self assess achievements through IT platform/Mobile Apps etc.
- Develop an IT Framework to rank Districts and further to rank Blocks within Districts/GPs within Blocks. This will also help target critical interventions.
- Preparation of Odisha SDG Index to measure achievement of SDGs in the State.
- Develop a Dashboard to monitor SDGs indicators on regular basis.
- The State is committed to provide full support to development priorities aligning with SDGs.

With the advent of the 5T Framework (Technology, Transparency, Transformation, Teamwork through Time), Odisha will be a leading adopter of technology to deliver government services to people.

**The document displays the performance** of various states on sustainable solutions to some of the biggest challenges - ranging from poverty and gender inequality to climate change. It is a guiding framework to steer development action. It puts the states in **four categories** –

- **"Achiever"** with score of 100;
- **"Front Runner"** with score between 65-99;
- **"Performer"** with a score between 50-64
- And **"Aspirant"** with a score between 0-49.
- Odisha has emerged as **Achiever in one area** — Life Below Water SDG 14;  
**Front Runner in Eight sectors; Performer in One and Aspirant in Six areas.**

Areas where **Odisha has been found to be weakest** in intervention are **SDG1- Goal for “No Poverty”** with score 41;

✓ **SDG2**—Goal for “Zero Hunger” with score 41;

✓ **SDG4-** Goal for “Quality Education” with score 45;

✓ **SDG5**—Goal for “Gender Equality” with score 46;

✓ **SDG8-**Goal for “Decent Work and Economic Growth” with score 48 and

✓ **SDG9-**Goal for “Industry, Innovation and Infrastructure with score 46.

✓ **SDG16**—Goal for “Peace, Justice and Strong Institutions.

✓ **Note: all are below 50 score.**

## **A brief discussion on these areas would indicate where Odisha stands now and the distance it needs to cover to reach the 2030 Goal in those areas.**

- **Goal 16 focuses on ending abuse, exploitation, trafficking, corruption and bribery, and on the development of accountable and transparent institutions.**
- Presently 20.03 persons per ten lakh population fall victim to human trafficking in Odisha as against only 3.22 for Uttarakhand and zero in Puducherry. The 2030 goal is set at zero. With SDG 16 Index score at 59, Odisha, though in category of “Performer”, stands at the 36th position among 37 states and UTs, above Andaman & Nicobar Islands.
- **As regards “No Poverty” goal, the areas of concern are the high percentage of people below poverty line and the high percentage of kutcha houses. Odisha has 32.5% people below national poverty line and 14.2% of houses are kutcha houses—the second largest (below Arunachal Pradesh).**

## **A brief discussion on these areas would indicate where Odisha stands now and the distance it needs to cover to reach the 2030 Goal in those areas.**

- **Odisha's Productivity of Rice continues to be low**—2003.84 kg per hectare. The goal for 2030 is 5322.08 kg/ha.
- **29.2% of children under 5 years of age are underweight** as against Kerala's 18.7% children. 2030 goal is to reduce it to 1.9%.
- **47.6% of pregnant women in the age group 15-49 in Odisha are anemic** as against Kerala's 22.6% with the 2030 goal at 25.2%.

These critical components of **SDG Index 2** dealing with “**Zero Hunger**” goal, contribute to assigning Odisha a modest **overall score of 42**. Kerala is at the top with a **score of 88**.

# Odisha poverty – Out of 3, 1 is poor

- Niti Ayogo out of 3/1 – Nabormpur-59.32%, Malangiri-58.71, Korapur-51.14. Even Keojhar – 41.78%
- Odisha is in 9 rang
- Poverty, education, electricity, sanitation
- 4/1 India
- Bihar- 51.91 lowest, Kerela – 0.71%
- 16 districts below national poverty rang
- Out of many schemes,
- Every third person in Odisha is poor. The startling revelation has been made in a fresh Niti Aayog National Multidimensional Poverty Index (MPI) report.
- The Niti Aayog report has placed Odisha on the ninth spot among all states in the country mentioning that it has 29.35 pc of population which is multidimensionally poor.

# Education

➤ **The state has a large number of schools** without access to basic infrastructure like electricity and drinking water. While states like Kerala, Sikkim, Punjab, Gujarat, Goa have ensured full coverage of schools with such infrastructure, **31.29% of Odisha's school remain deficient**. The 2030 goal is to ensure 100% coverage. 27.5% of people of Odisha of 15 years and above are illiterate. Odisha's overall score in this SDG Index 4 on **“Quality Education” is 45** while **Kerala with a score of 80 is at the top**.

## ➤ **Where we are?**

1. Accessibility- Distance, 5Ts but no internet,
2. Quality Education – lack of teachers, Compromise attitude from parents
3. Lack of Political Good will
4. Apathetic Attitude towards Govt departments –
5. No Reservation for Minorities
6. Upgradation of UP School- No class room, No sufficient teachers.
7. No specific teachers for specific subjects

# Odisha drops to 16th position in NITI Aayog's India Innovation Index Ranking

- As per NITI Ayogo- Odisha has came down 2 points below
- In 2018-19 – 12 position, 2019-2020 – 14 position
- Kerala -1 , UP- 19, B-18, MP-17, etc
- **Odisha Rank- 17 and Hariyana- 1**
- Status: No proper infrastructure, No doctor, medical staff, No equipment,

- **Percentage of population living below the national poverty line- 32.59**
- **Percentage of households with any usual member covered by a health scheme or health insurance - 47.70**
- **Persons provided employment as a percentage of persons who demanded employment under Mahatma Gandhi National Rural Employment Guarantee Act (MGNREGA) -85.51**
- **Percentage of the population (out of total eligible population) receiving social protection benefits under Pradhan Mantri Matru Vandana Yojana (PMMVY) - Nil**
- **Percentage of households living in kutchcha houses -14.20**
- **Percentage of children under 5 years of age who are underweight -29.20.**
- **Maternal Mortality Ratio (per 1,00,000 live births): 150.**
- **Suicide rate (per 1,00,000 population)- 10.50.**

- **Death rate due to road accidents per 1,00,000 population-11.82.**
- **Doctors, nurses and midwives per 10,000 population -39.**
- **Percentage of persons (>15 years) who are literate -72.50.**
- **Percentage of schools with access to electricity and drinking water -68.71.**
- **Percentage of schools with separate toilet facilities for girls - 98.04.**
- **Crimes against women per 1,00,000 female population-103.50.**
- **Women in managerial positions in listed companies (per 1,000 persons) -206.**

- **Percentage of rural population getting drinking water within premises through piped water supply- 51.73.**
- **Percentage of LPG+PNG connections against number of households**  
79.52.
- **Annual growth rate of GDP (constant prices) per capita-5.49.**
- **Functioning of commercial bank branches per 1,00,000 population**  
11.92.
- **ATMs per 1,00,000 population -15.72.**
- **Mobile phone connections per 100 persons -75.09.**
- **Internet subscribers per 100 population-44.87.**
- **Percentage of urban households living in kutchcha houses**  
2.80.

- **Percentage of urban households with drainage facility- 65.70.**
- **Lives lost due to extreme weather events (per 1 crore population)**
- **22.78.**
- **Percentage of forest cover -33.15.**
- **Murders per 1,00,000 population -3.10.**
- **Cognizable crimes against children per 1,00,000 population 49.90.**
- **Victims of human trafficking per 10 lakh population-20.03.**
- **Percentage of population covered under Aadhaar- 97.**

# Gender Equality

- The issue of **Gender Equality has been analysed in SGD 5**. Females have been losing in the area of wage parity. Ratio of female to male wage in Odisha is 0.66 while 2030 Goal is to bring in parity. Females have been victims of crime in large number of cases. **Rate of crime against women per one lakh female population is 103.5-- one of the highest in the country while India's overall position is 62.4. The 2030 Goal is to ensure zero rate.**
- As against **the 2030 Goal of women having 50% seats in Assembly**, the highest representation is in Chhattisgarh with 14.44% while **Odisha has only 8.9%**. As regards percentage of females operated operational holdings, it is only 4.06% while the Country's figure is 13.96. The Goal of 2030 is to have the share increased to 50 %.

# Economic Growth

- In the area of decent work and **economic growth SGD 8 accords** the top place to **Himachal Pradesh with a score of 78**. Labour force participation in the age group of 15-59 is 55.2% in respect of Odisha while it is 72.1% for Himachal Pradesh. The Goal for 2030 is 66.3.
- **Present unemployment rate in the 15-59 age group in Odisha is 7.6 %.** The **2030 Goal is to bring it down to 3%.** While the 2030 Goal is to ensure that no wage/salaried employee in non-agriculture sector would be without social security benefit, at present 54.3% of such employee are without social security benefit in Odisha. It is indeed a matter of great concern that in the area of ease of doing business Odisha's score is zero. This area needs special attention.
