What Brought Us Together at this Moment in History

SIGNS OF THE TIMES: a CALL to COALITION

- Trend of smaller numbers of vocations to Religious life requires creative approaches to ministry that allow us to benefit from the wisdoms of our unique charisms *as well as* from the strength of our common mission.
- Political spaces are becoming more closed and less receptive to the voices of civil society, especially voices from the most marginalized groups. Speaking with an organized and unified voice allows us to use--and protect--the available spaces more effectively and with greater security.

SDGs: a CALL to ACTION

In 2015, governments of the UN unanimously adopted the **Sustainable Development Goals (SDGs)**, a their 15-year agenda for the alleviation of human and environmental suffering.

SDGs: a CALL to ACTION:

In order for the SDGs to be achieved in a just manner (one that includes everyone and prioritises the poorest among us), **all sectors of society must actively participate in:**

- **implementing** them and
- **monitoring** progress toward their achievement within every nation as well as at the UN.

SDGs: a CALL to ACTION:

Women and men Religious have been working toward the SDGs for centuries and are well positioned to guide global and local leaders in fulfilling the promises of this agenda.

OUR APPROACH

Coordinate efforts of Religious and their ministry partners to allow us to make a stronger, more unified call for a justice, equity, sustainability, and respect for rights on the local, national, and global levels.

We have begun our efforts in:

- Latin America and the Caribbean
- East & Southern African (Uganda, Zambia, and Zimbabwe)
- India
- United Nations Headquarters (New York City, USA)

WORKSHOPS

- Being held in each of the selected regions in 2019-2023
- Participation **open to all Catholic Religious (from any congregation or diocese) and their ministry partners** in the selected regions
- **Short-term component:** multiple days of dialogue and planning among members of different congregations and partner organizations
- **Long-term component:** collaboration to design and realise campaigns for systemic change in each region

CAMPAIGNS

Following these three days of dialogue, the JCoR network will:

- Facilitate your continued contact and collaboration with one another via e-mail, phone, or in-person meetings
- Guide and support you in taking collective actions aimed at your selected issue(s) of concern
- Coordinate your messages and efforts with the advocacy efforts of those representing Religious congregations at UN (i.e. reinforce and complement at the global level the actions and messages you generate at the local or national levels)
