Our plan for today:

To hear from one another about:

- our experiences of preparing for the 2023 High-Level Political Forum on Sustainable Development (HLPF)

- connections between our personal expertise or experience and…

    - SDG 6 (water and sanitation),

    - SDG 7 (accessible, affordable, clean energy),

    - SDG 9 (innovation, infrastructure, industry),

    - SDG 11 (sustainable cities), or

    - SDG 17 (partnerships)

Questions to guide us:

- What are our reflections from the UN system's 2023 regional fora for sustainable development?

- Have we had any success making contact with the civil society networks that are monitoring our respective nations' progress toward the SDGs?

- Has anyone joined one of the teams that will craft

  - the response to official response to their government's Voluntary National Review (VNR)?

  - the written statement of NGOs for the HLPF?

- On which of the priority SDGs for the 2023 HLPF does each of us feel called to focus (and speak about) during the JCoR SDG Lab)?

- What specific projects and ministries are we involved in that contribute to the priority SDGs for the 2023 HLPF?

Reflecting on the Regional Fora for Sustainable Development

Questions to guide your reflection
on your Regional Forum on Sustainable Development

- Where does my experience *__align__* with the reports and perspectives shared during my region's forum?

- Where does my experience *__conflict__* with the reports and perspectives shared during my region's forum?

- What *__additional insights or recommendations__* do I want to contribute to the conversation based on my experience?

Making contact with civil society networks monitoring SDG progress in our respective nations

Did we have any success making contact with our respective networks?

¿Hemos tenido algún éxito al ponernos en contacto con nuestras respectivas redes?

Avons-nous réussi à prendre contact avec nos réseaux respectifs ?

Tivemos algum sucesso ao estabelecer contacto com as nossas respectivas redes?

Recommendations for Communication with your National or Regional Civil Society Network(s):

- **Introduce yourself:** name, congregation, issues/SDGs on which you work through your ministry, where you serve

- **Ask:** Is this network preparing a civil society report to supplement our national government's VNR report to the 2023 HLPF on Sustainable Development?

- **If they *are* preparing a report for the HLPF, ask:** How can I submit ideas to the report or become involved in the creation of the report?

Joining teams of the "Major Groups and other Stakeholders" that will craft the official input of civil society to the 2023 HLPF

Joining one of the teams that will craft the

Official Input of Major Groups & other Stakeholders (MGoS)

    LAST OPPORTUNITY: join the team for your country

- **NGO MG Position Paper Team:** help draft the written statement on behalf of the NGO community to HLPF each year

Looking forward to our "SDG Lab" during the HLPF

Your contribution to the JCoR "SDG Lab" during the 2023 HLPF

The Lab will consist of one session dedicated to each of this year's priority SDGs: 6 (water and sanitation), 7 (clean energy), 9 (innovation/infrastructure), 11 (sustainable cities), 17 (partnerships)

- **About which of the priority SDGs do you feel called to speak during the JCoR SDG Lab?**

- **What specific projects and ministries are you involved in that contribute to the SDG(s) that you selected?**

Next Steps:

12 April – 22 May

If you have not already done so:

- **Make contact** with (or become a member of) a national civil society network that is monitoring SDG progress in your country

- Consider **joining the civil society team** that will respond formally to *your* country's Voluntary National Review

- Consider **joining a team to help draft** a section of the NGO Major Group's official written statement for the HLPF

- Begin **gathering details and images** or videos you may want to use during the "JCoR SDG Lab" to share how your ministry (or a project of your congregation) is contributing to SDG 6, 7, 9, 11, or 17
