DIGITAL DELEGATION PROGRAMME
for the 2024 HLPF on
SUSTAINABLE DEVELOPMENT

Global Call #3:   29 April 2024

- What key ideas or observations did we take away from the Regional Forum as a whole?

- How have we been able to connect thus far with civil society networks in our country or region in preparation for the HLPF?

- How might we contribute to the "JCoR SDG Lab" sessions in July?

Gracious God, we are your beloved.

Even in our unfinished state,
you take delight in what we are and in what we will become.

Help us to claim for our own your gentle leadership in our lives.

Help us to know you are always hoping for more for us and from us,

for our nations and from our nations,

for our planet and from our planet.

Give us the strength and peace of heart to be filled with your power.

Give us the courage to use that power to establish justice.

Give us faith in Resurrection so that we may be patient and persistent

in our journey toward your Reign.

Our plan for today:

- **To hear from one another about our experiences with:**

  - **our region's Regional Forum on Sustainable Development**

  - **attempting to make contact with a civil society network that is monitoring SDG progress in our own country**

  - **attempting to join the "VNR" team that will respond to our government's SDG progress report**

- **To begin to think about how we will each contribute to the "JCoR SDG Lab" sessions in July**

Questions to guide us:

- What are our reflections from the UN's 2024 regional fora for sustainable development?

- Have we had any success making contact with the civil society networks that are monitoring our respective nations' progress toward the SDGs?

- Has anyone joined one of the teams that will craft

  - the response to official response to their government's Voluntary National Review (VNR)?

  - the written statement of NGOs for the HLPF?

- On which of the priority SDGs for the 2023 HLPF does each of us feel called to focus (and speak about) during the JCoR SDG Lab)?

- What specific projects and ministries are we involved in that contribute to the priority SDGs for the 2023 HLPF?

Reflecting on the Regional Fora for Sustainable Development

Questions to guide your reflection
on your Regional Forum on Sustainable Development

- Where does my experience ***align*** with the reports and perspectives shared during my region's forum?

- Where does my experience ***conflict*** with the reports and perspectives shared during my region's forum?

- What ***additional insights or recommendations*** do I want to contribute to the conversation based on my experience?

Making contact with civil society networks monitoring SDG progress in our respective nations

Recommendations for Communication with your National or Regional Civil Society Network(s):

- **Introduce yourself:** name, congregation, issues/SDGs on which you work through your ministry, where you serve

- **Ask:** Is this network preparing a civil society report to supplement our national government's VNR report to the 2024 HLPF on Sustainable Development?

- **If they *are* preparing a report for the HLPF, ask:** How can I submit ideas to the report or become involved in the creation of the report?

Joining teams of the "Major Groups and other Stakeholders" that will craft the official input of civil society to the 2024 HLPF

Joining one of the teams that will craft the

Official Input of Major Groups & other Stakeholders (MGoS)

- **MGoS VNR Team:** asks questions and presents joint response to each government's Voluntary National Review

    ***May still be possible to [join the team](#) for your country!**

- **NGO MG Position Paper Team:** help draft the written statement on behalf of the NGO community to HLPF each year

    Did anyone submit content for the paper?

Looking forward to our "JCoR SDG Lab" in July

Your contribution to the JCoR "SDG Lab" during the 2024 HLPF

The Lab will consist of one session dedicated to each of this year's priority SDGs: 1 (poverty), 2 (hunger & agriculture), 13 (climate action), 16 (good governance, justice, peace), 17 (partnerships for sustainable development)

Begin thinking about:

- **About which of the priority SDGs do you feel called to speak during the JCoR SDG Lab?**

- **What specific projects and ministries are you involved in that contribute to the SDG(s) that you selected?**

Next Steps:

30 April – 20 May

If you have not already done so:

- **Make contact** with (or become a member of) a national civil society network that is monitoring SDG progress in your country

- Consider [joining the civil society team](#) that will respond formally to *your* country's Voluntary National Review

- Begin **gathering ideas, details, and images** or videos you may want to use during the "JCoR SDG Lab" to share how your ministry (or a project of your congregation) is contributing to SDG 1, 2, 13, 16, or 17

- Join a JCoR call with other delegates from your region to get to know one another better

Prepare for the next JCoR global call:
