Reflections from Asia-Pacific Regional Forum and other initial Preparations for the 2025 HLPF

Our plan for today:

- To hear from one another about our experiences thus far with:
 - attempting to make contact with a civil society network that is monitoring SDG progress in our own country
 - attempting to join the “VNR” team that will respond to our government’s SDG progress report
 - our region’s Regional Forum on Sustainable Development
- To learn how can we reflect on national SDG progress reports that were submitted *by civil society in our respective countries* to previous HLPF sessions
- To begin to think about how we will each contribute to the “JCoR SDG Lab” sessions in July

Questions to guide us:

- Have we had any success making contact with the civil society networks that are monitoring our respective nations' progress toward the SDGs?
- Has anyone joined one of the teams that will craft official response to their government's Voluntary National Review (VNR)?
- What are our reflections from the Asia-Pacific Regional Forum on Sustainable Development?
- How can we reflect on national SDG progress reports that were submitted *by our own countries' civil society* to previous HLPF sessions?
- On which of the priority SDGs for the 2025 HLPF does each of us feel called to focus during the HLPF and to speak about during the JCoR SDG Lab?

Recommendations for Communication with your National or Regional Civil Society Network(s):

- **Introduce yourself:** name, congregation, issues/SDGs on which you work through your ministry, where you serve
- **Ask:** Is this network preparing a civil society report to supplement our national government's VNR report to the 2025 HLPF on Sustainable Development?
- **If they *are* preparing a report for the HLPF, ask:**
How can I submit ideas to the report or become involved in the creation of the report?

**Did we have any success making
contact with our respective networks?**

*¿Hemos tenido algún éxito al ponernos en
contacto con nuestras respectivas redes?*

**Avons-nous réussi à prendre contact
avec nos réseaux respectifs ?**

*Tivemos algum sucesso ao estabelecer
contacto com as nossas respectivas redes?*

**Beginning to look
forward to our
“JCoR SDG Lab”
in July**

Your contribution to the JCoR “SDG Lab” during the 2025 HLPF

The Lab will consist of one session dedicated to each of this year’s priority SDGs:

- SDG 3 (healthcare)
- SDG 5 (gender equality)
- SDG 8 (decent work and sustainable economies)
- SDG 14 (healthy aquatic ecosystems)
- SDG 17 (partnerships for sustainable development)

Begin thinking about:

- **About which of the priority SDGs do you feel called to speak during the JCoR SDG Lab?**
- **What specific projects and ministries are you involved in that contribute to the SDG(s) that you selected?**
