Why & How Religious Congregations Engage with the UN System

# ***Why* Religious Congregations Engage with the UN System**

# CATHOLIC SOCIAL TEACHING

# THE UN CHARTER:

## WE, THE PEOPLES OF THE UNITED NATIONS, DETERMINED

- to **save succeeding generations from the scourge of war**, which twice in our lifetime has brought untold sorrow to mankind, and
- to **reaffirm faith** in fundamental human rights, in the **dignity and worth of the human person**, in the equal rights of men and women and of nations large and small, and
- to **establish** conditions under which **justice** and respect for the obligations arising from treaties and other sources of international law can be maintained, and
- to promote **social progress and better standards of life** in larger freedom,

# THE UN CHARTER:

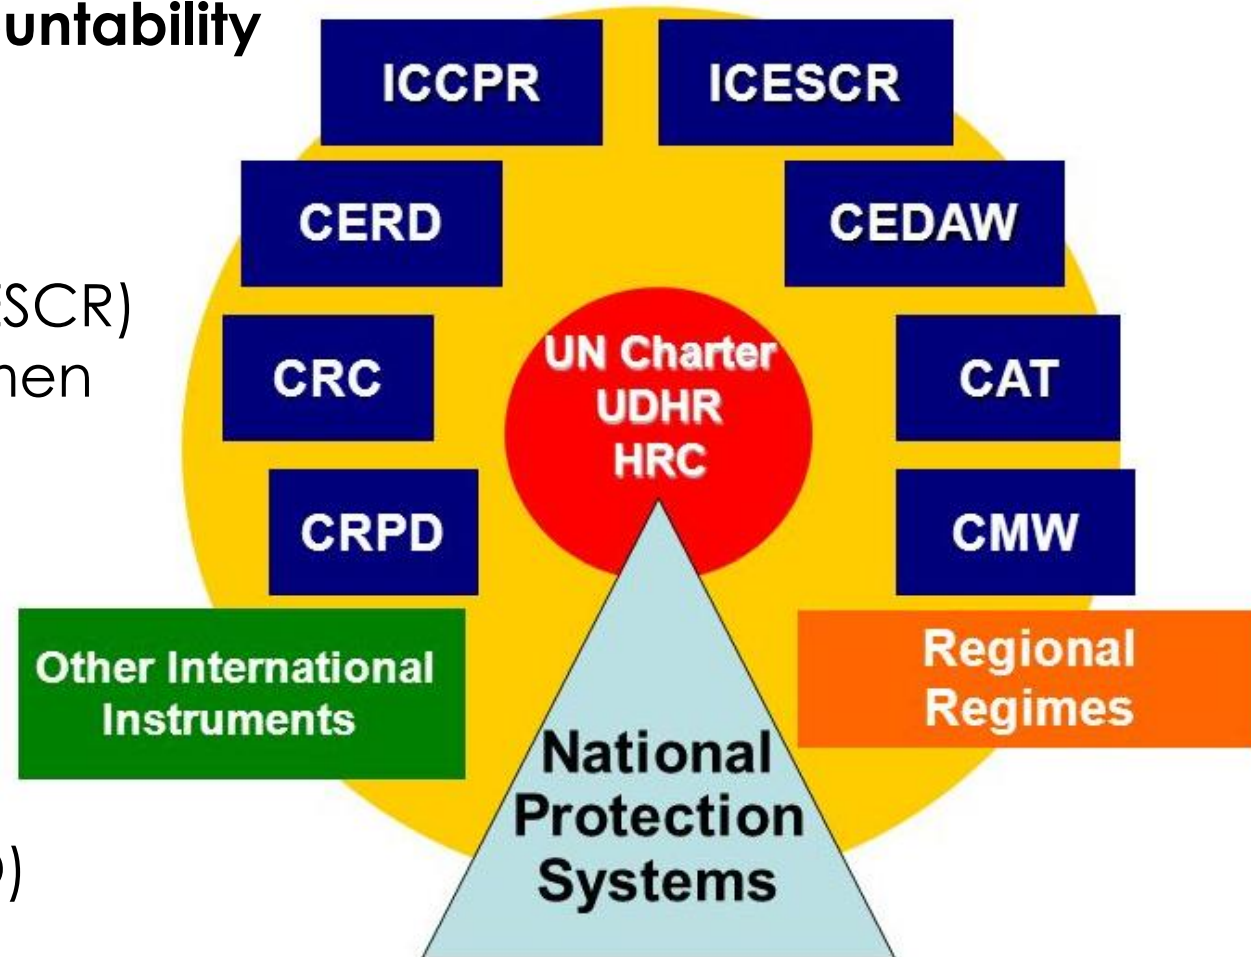

## AND FOR THESE ENDS

- to practice tolerance and **live together in peace with one another as good neighbours**, and
- to unite our strength to **maintain international peace** and security, and
- to **ensure**, by the acceptance of principles and the institution of methods, **that armed force shall not be used**, save in the common interest, and
- to employ international machinery for the **promotion of the economic and social advancement of all peoples...**

# THE HUMAN RIGHTS FRAMEWORK:

**Aims to establish global consensus & accountability toward realization of:**

- Universal human rights (UDHR)
- Civil & political rights (ICCPR)
- Economic, social, and cultural rights (ICESCR)
- Elimination of discrimination against women (CEDAW)
- Elimination of torture (CAT)
- Rights of migrant workers & their families (CMW)
- Rights of persons with disabilities (CRPD)
- Rights of children (CRC)
- Elimination of racial discrimination (CERD)

**...principles of Catholic Social Teaching in secular language**

# SUSTAINABLE DEVELOPMENT GOALS (SDGs)

the UN's AGENDA for 2015-2030:

**SECULAR ROAD MAP to the CITY of GOD**

# The POLITICAL is SPIRITUAL

“It is important to realize that there is an element of spirituality needed in what we do...”

Stop the trend of dividing humanity to ‘us’ and ‘them.’ The most important word in the world is **TOGETHER.**”

-H.E. Jan Eliasson  
former UN Deputy Secretary General

# The POLITICAL is SPIRITUAL

“The United Nations and its agencies deal with a comprehensive range of issues affecting global communities, including human rights, population, food, agriculture, health, trade and children. For each of these issues, **religion often plays a powerful complementary moral, social, economic and political role for disenfranchised communities.**

Every religious tradition has leaders and networks providing food distribution, health care, education and conflict mediation. **Religious social service networks, which preceded the UN and governmental entities, reach more people and are more deeply entrenched than any other organization.”**

-Dr. Azza Karam (former Senior Advisor of UN Population Fund) &  
Dr. Matt Weiner (Associate Dean of Princeton University's Office of Religious Life)

# The POLITICAL is SPIRITUAL

“The spiritual dimensions of the work of the United Nations tend to be overlooked and underappreciated. Yet, the tenets set out in the Charter – peace, justice, equality, the dignity and worth of the human person – echo the teachings of the world’s religious traditions and summon us all to reduce human suffering

...As we reflect on [*Laudato Si'*] in 2021, the state of our common home is broken...This is an epic policy test. But ultimately this is a **moral** test.”

**-H.E. António Guterres,**  
UN Secretary General  
in foreword for the *Laudato si' Reader*

# The SPIRITUAL is POLITICAL

“**Politics**, though often denigrated, **remains a lofty vocation and one of the highest forms of charity, inasmuch as it seeks the common good.** We need to be convinced that charity ‘is the principle not only of micro-relationships (with friends, with family members or within small groups) but also of macro-relationships (social, economic and political ones)’ ... I am firmly convinced that **openness to the transcendent can bring about a new political and economic mindset** which would help to break down the wall of separation between the economy and the common good of society.”

**-Pope Francis**

*Evangelii Gaudium, 2013*

# The SPIRITUAL is POLITICAL

“**[The Church]** cannot and must not replace the State. Yet at the same time she **cannot and must not remain on the sidelines in the fight for justice. She has to play her part** through rational argument and she has **to reawaken the spiritual energy without which justice**, which always demands sacrifice, **cannot prevail and prosper**. A just society must be the achievement of politics, not of the Church. Yet the promotion of justice through **efforts to bring about openness of mind and will to the demands of the common good** is something which **concerns the Church deeply.**”

**-Pope Benedict XVI**

*Deus Caritas Est, 2005*

# The SPIRITUAL is INTEGRAL to all DIMENSIONS of DEVELOPMENT

“We are faced not with two separate crises, one environmental and the other social, but rather with one complex crisis which is both social and environmental.

Strategies for a solution demand an integral approach to combating poverty, restoring dignity to the excluded, and, at the same time, protecting nature.”

-Pope Francis (*Laudato Si'*, 139)

***A brief reflection...***

# SUSTAINABLE DEVELOPMENT GOALS (SDGs)

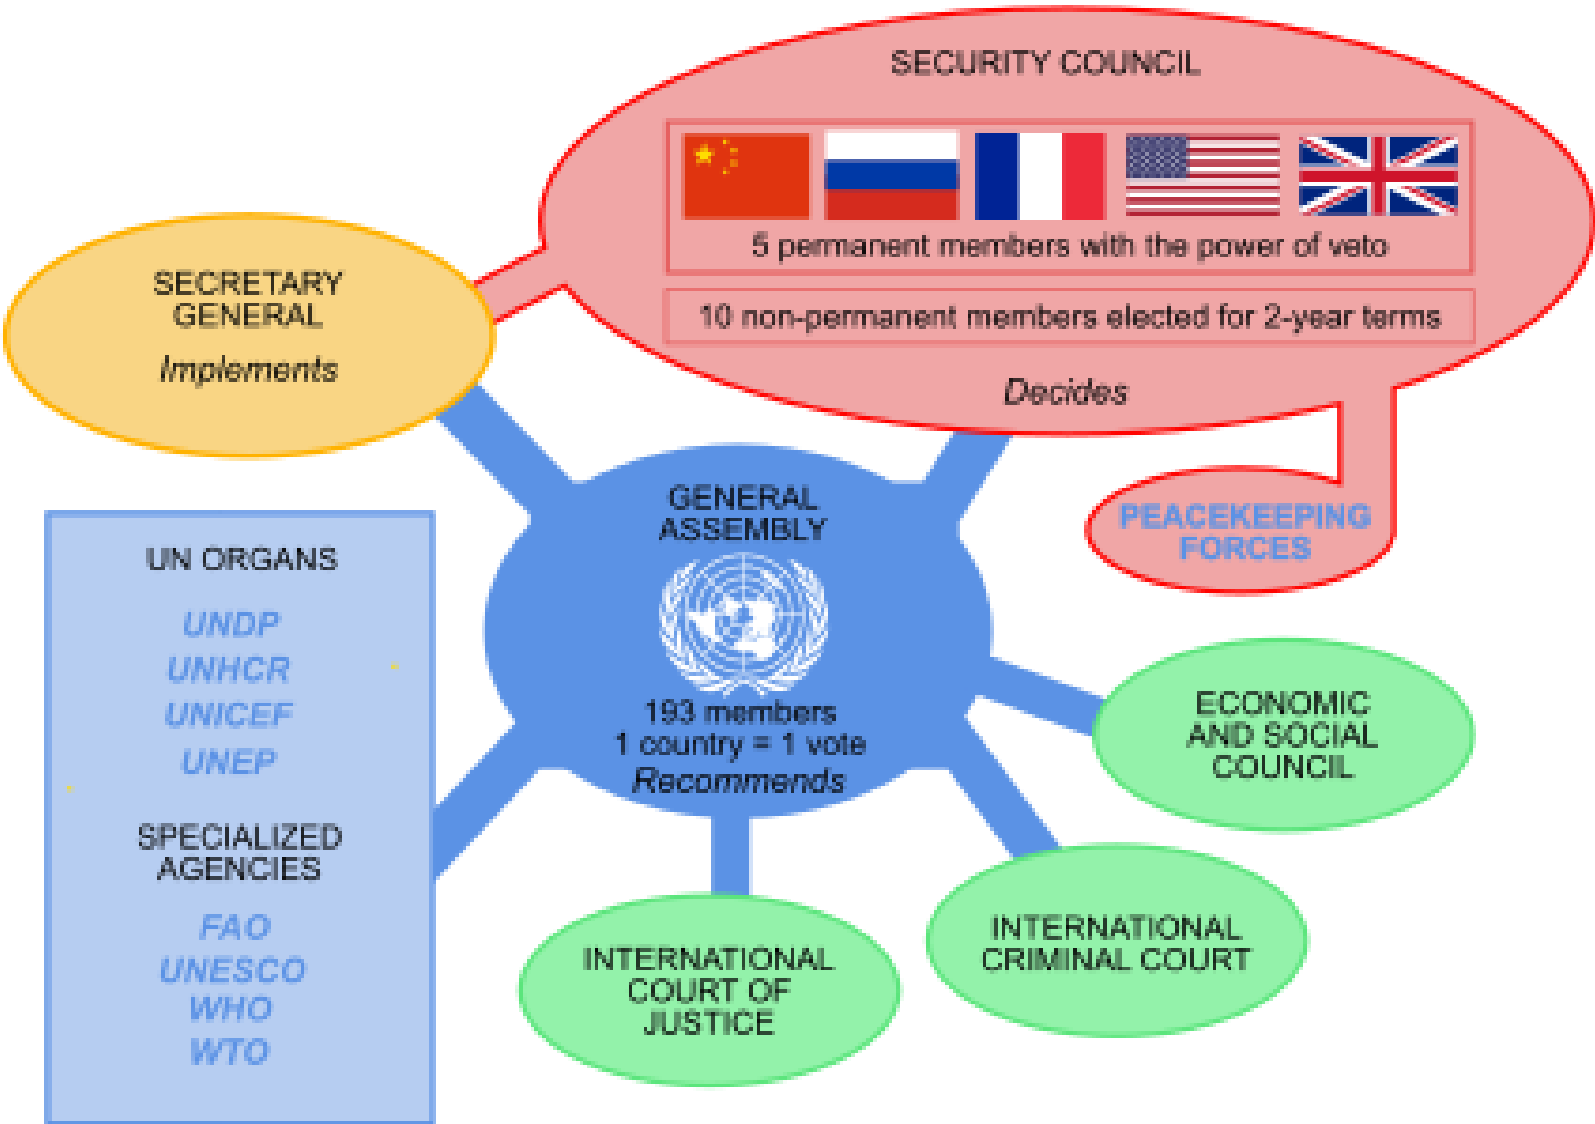

**DO YOU SEE YOUR MINISTRY HERE?  
DO YOU SEE YOUR CONGREGATION'S CHARISM?**

# ***How Religious Congregations Engage with the UN System***

# Catholic Religious NGO Presence at the UN

- In the UN system, we are considered NGOs (non-governmental organizations)
- ~30 NGOs accredited to represent over 200 Catholic Religious congregations

# What does it mean to be accredited?

**Accreditation allows our NGOs to participate in UN proceedings by:**

- Making oral statements
- Submitting written statements
- Meeting with diplomats
- Participating in UN conferences
- Sponsoring events inside and near UN Headquarters
- Making formal or informal recommendations on new UN agreements as they are being negotiated
- Submitting reports and comments on nations' progress on human rights (or lack thereof)

# Religious Voice at the UN

- **Expert:** provide insights from members' work ministering to the poorest and most vulnerable populations "on the ground"
- **Impartial:** represent communities that span many nations and have no national identity
- **Credible:** known to *practice* values of care for human dignity of all and for the natural environment through lives of intentionality and dedicated service
- **Consistent:** maintain positions based on constitutions and principles older than UN and many nations; bring continuity and stability to global conversation that governments with frequently changing leaders/politics cannot
- **Collaborative:** speak and work through coalitions and committees that model for governments how to prioritise common goals and common good ahead of individual glory or achievement

# RELIGIOUS ADVOCACY at the UN

# **What Brings Us Together Now**

# SIGNS OF THE TIMES: a CALL to COALITION

- Smaller numbers of vocations to Religious life requires creative approaches to ministry that allow us to benefit from the wisdoms of our unique charisms *as well as* from the strength of our common mission.
- Political spaces are becoming more closed and less receptive to the voices of civil society, especially voices from the most marginalized groups. Speaking with an organized and unified voice allows us to use—and protect—the available spaces more effectively.

# SDGs: a CALL to ACTION:

In 2015, governments of the UN unanimously adopted the **Sustainable Development Goals (SDGs)**, a their 15-year agenda for the alleviation of human and environmental suffering.

# SDGs: a CALL to ACTION:

In order for the SDGs to be achieved in a just manner (i.e. include everyone and prioritise the poorest among us), **all sectors of society must actively participate in:**

- **implementing** them and
- **monitoring** progress toward their achievement within every nation as well as at the UN

# SDGs: a CALL to ACTION:

Women and men Religious have been working toward the SDGs for centuries and are well positioned to guide global and local leaders in fulfilling the promises of this agenda.

# HLPF: a CALL to MONITOR

The High-Level Political Forum on Sustainable Development (HLPF) is the **annual global meeting at which nations** (both government and civil society) are invited to **examine their progress toward SDG achievement** and to **propose implementation adjustments to accelerate that progress.**

As a global community dedicated to the poor, the oppressed, and the earth, we are called to engage in the HLPF to hear how our political leaders tell the story of our national realities and to bring the stories and concerns of the marginalised into the center of the global conversation on development.
