WEBINAR

Understanding Climate COPs:

Climate justice, the transition away from fossil fuels, and our responsibility to care for our common home.

- Introduce the UN climate Conferences of the Parties (COPs) and their significance in the global response to climate change.
- Explore COP30's outcomes and unfinished business, the Transitioning Away from Fossil Fuels (TAFF) initiative, and the road towards COP31.
- Connect international climate discussions with the realities of the communities we serve.
- Reflect on their implications for climate justice, human dignity, and care for our common home.
- Identify key priorities and expectations for COP31.
